Dear Johnny,

**RE: Acknowledge Receipt of a dairy cow Rubycoo.**

I acknowledge receipt of dairy cow called **Rubycoo** through SAIPEH.  
I appreciate greatly for the cow, will be of great help to me, my family and the community.

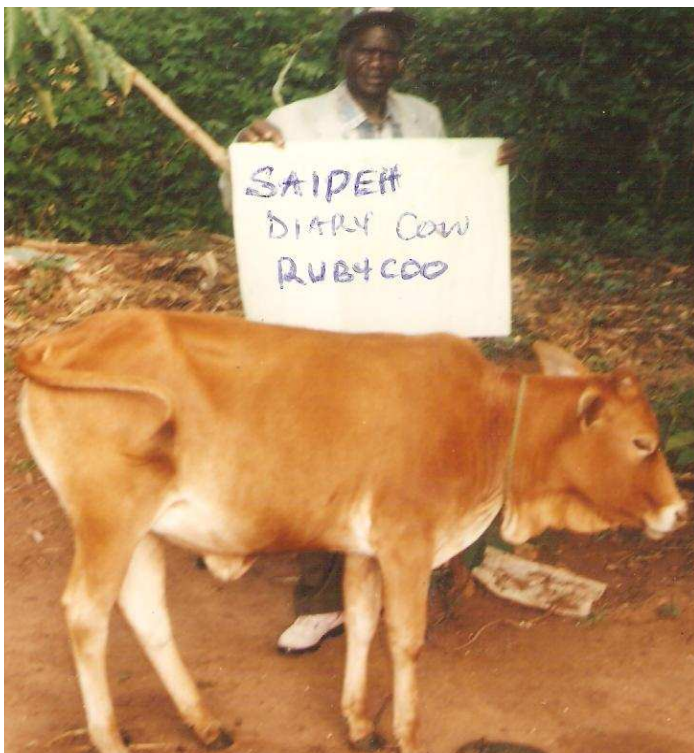

Milk from the cow will be of nutritive value to me, despite my Positive status. My family will access some basic needs through the sales of milk and even young ones thus improved lifestyle.

Sales from young ones will be a source of income, thus pay school fees for the orphans and even stationery.

Thank you greatly and keep up the spirit.

Thanks once more.

**SAIPEH guardian.**

Dear Janet,

**RE: Thank you for Poultry**

I thank you for donation of Poultry.

Wastes from them will be used as fertilizers thus increase in production; eggs will provide proteins to the family thus good health to the young ones. Sales from eggs and chicken will raise income that will cater for small basic needs.

Thank you so much for your generosity Janet.

Sincerely  
**SAIPEH Guardian.**
